The screenshot displays the game's crafting interface. At the top, the player's name 'Jung' is visible, along with their level '100' and a 'Craft' button. Below this, the 'Craft' menu is open, showing a grid of items that can be crafted. The items are organized into categories: 'Weapons', 'Armor', 'Tools', and 'Consumables'. Each item has a small icon and a name. The 'Craft' button is highlighted in blue. To the right of the crafting menu, the 'Inventory' is visible, showing a list of items with their names and quantities. Below the inventory, the 'Quick Item Slots' are shown, with slots for various items. On the far right, the 'Character Profile' is displayed, showing the player's name 'Jung', level '100', and various stats including 'Health', 'Mana', 'Strength', 'Dexterity', 'Intelligence', and 'Wisdom'. The background of the interface is a dark, textured surface.
